

AYDEN HIGGINS

University of Exeter Business School
Rennes Drive, Exeter, Devon, EX4 4PU
a.higgins@exeter.ac.uk

RESEARCH AREAS

Panel Data Models, Factor Models, Unobserved Heterogeneity, Spatial Models, Resampling Methods.

BACKGROUND

- | | |
|--|-------------|
| • Senior Lecturer, University of Exeter | 2024 - |
| • Postdoctoral Researcher, University of Oxford | 2022 - 2024 |
| • Postdoctoral Researcher, University of Cambridge | 2020 - 2022 |
| • Visiting PhD Student, University College London | 2020 |
| • PhD Student, University of Surrey | 2016 - 2021 |

PUBLICATIONS

- 2026 Learning Markov processes with latent variables from longitudinal data (with K. Jochmans)
Econometric Theory. 42 501–513
- 2024 Bootstrap inference for fixed-effect models (with K. Jochmans)
Econometrica 92(2) 411–427
- 2023 Identification of Mixtures of Dynamic Discrete Choices (with K. Jochmans)
Journal of Econometrics 237(1) 105–162.
- Shrinkage Estimation of Network Spillovers with Factor Structured Errors (with F. Martellosio)
Journal of Econometrics 223(1) 66–87.

WORKING PAPERS

- Panel Data Models with Interactive Fixed Effects and (Relatively) Small T
R&R, Journal of Econometrics
- Instrumental Variables for Dynamic Spatial Models with Interactive Effects
- Inference in Dynamic Models for Panel Data using the Moving Block Bootstrap (with K. Jochmans)
- Jackknife Inference for Fixed Effects Models
- Joint Approximate Asymmetric Diagonalization by Non-orthogonal Matrices (with K. Jochmans)

WORK IN PROGRESS

- Short Panels with Interactive Fixed Effects and Weakly Exogenous Regressors
- Invariant Estimators for Panel Models with Factor Structures
- Bootstrap Inference for Spatial Models with Fixed Effects

WORKSHOPS / SEMINARS

- 2025 University of Groningen, Netherlands
- Spatial/Panel Data Econometrics Workshop, University of Kent, UK

University College London, UK

Nuffield Econometrics Workshop, UK

University of Maryland, US

John Hopkins University, US

Georgetown University US

University of Kent, UK

2024 Model Selection, Predictability and High Dimensionality: Theory and Applications, University of Southampton, UK

University of Bristol, UK

Tilberg University, Netherlands

University of Sheffield, UK

Aarhus Workshop in Econometrics, Aarhus University, Denmark

Resampling Methods Workshop, University of Warwick, UK

Recent Advances in Panel and Network Data, University of Oxford, UK

2023 University of Sydney, Australia

University of Surrey, UK.

INTERNATIONAL CONFERENCES

International Panel Data Conference (Exeter 2026, Montpellier 2025, Bertinoro 2022)

Econometric Society European Meeting (Milan 2022)

Econometric Society Australasian Meeting (Sydney 2023)

International Association for Applied Econometrics (London 2022)

ORGANISATIONAL ROLES

2026 International Panel Data Conference, University of Exeter, UK (Co-organiser)

International Association for Applied Econometrics (Scientific Committee)

European Summer Meeting of the Econometric Society (Scientific Committee)

Encounters in Econometric Theory, University of Oxford, UK (Co-organiser)

2025 Encounters in Econometric Theory, Paris School of Economics, France (Co-organiser)

2024 Recent Advances in Panel and Network Data, University of Oxford, UK (Co-organiser)

Encounters in Econometric Theory, University of Oxford, UK (Co-organiser)

REFeree SERVICES

- Journal of Econometrics, Journal of Applied Econometrics, The Econometrics Journal, Journal of Business & Economic Statistics, Statistical Papers, Quantitative Economics, Oxford Bulletin of Economics and Statistics.
